SIR,

I have the honour to state that the Honorary Secretary Jamia Mosque was asked to take possession of the land granted to the Trust to the west of Silver Jubilee Park in Sri Narasimharaja Road as per - letter No. L. 6182 dated 1st February 1939 from the Secretary, Local -Self Government Department. The Honorary Secretary on behalf of the Trust requested in an application dated 6th May 1939, that the condition laid regarding the recovery of the cost of the formation of new Road - from the Mosque authorities need not be insisted and also to omit the formation of shop sites adjoining the land, lastly to grant the land tha remains after deducting the area of the land required for the formation of Road, as there would not be enough space for the construction of the Mosque if land is taken away for the formation of shop sites and therefore wanted the land to be granted up to the edge of the footpath of the proposed Road as shown in the plan enclosed. The subject was - placed before the Municipal Council for conside ation. They at their meeting held on 13-5-1939 have resol ed to grant the land up to the edge of the foot path which measures 234 sq Yds making a total area of 2992 Sq. Yds as against the original grant of 2758 Sq. Yds. They have also conceded the request that the recovery of the cost of formation of the Road need not be enforced and that shops sites need not be formed. I therefore request that sanctio of Government may be kindly obtained to the above resolution, a copy of which is herein enclosed.

Additional Subject. No. 36.

Commissioner's Memo in the matter of grant of land to the Jamia Mosque in Narasimharaja Road.

P.T.O.

Proceedings of the Council dated 13-5-1939.

Addl.Sub.No.36.

The Commissioner explaining the case said that the original resolution of the Council was to give some land in exchange of the land given to the Mosque on the Southern side of the road and by the side of the drain, to the Mosque authorities, but when it went up to Government, they observed that the need for the exchange does not arise and that the land to the south of the road as also the land to the north of the road may be given to the Mosque. It was also resolved then that the mosque should bear the cost of the road proposed to be continued to join the Avenue Road. This has been sanctioned by Government. Further, there is also provision for forming shop sites in a later Council resolution and the Mosque authorities now want that no shop sites be formed there, to the north of their site on the northern side of the road, and that the land upto the edge of the road after providing the footpath should be given to them and that the cost of the new road need not be recovered from them, as the Municipality has taken up the formation of the new road to join the Avenue Road. They observed that in view of the fact that the construction of shops near the mosque would interfere with their prayer, it was desirable not to have shop sites there and that the land reserved for those shops may also be given over to the mosque, as it would be useless for even any others.

Mr. S.M.M.Razvi moved that the note of the Commissioner may be approved and Mr. B.L.Eyanna seconded the same, and said that the land on the north upto the edge of the road with the provision for footpath may be given to the mosque with a further condition that they should not put up any shops there facing the northern road.

Messrs. Mirza Azeezulla Beig and D.Venkataramanappa supporting supported the above and said that the cost of the new road may be waived.

Mr. B.L.Eyanna moved an amendment that Clause (5) of the draft agreement " that the party of the Second Part shall

make arrangements to continue at its cost, the present new road to the north of the schedule site, so as to meet the Avenue Road on the west " need not be pressed, and this was accepted by Mr. S.N.M.Raavi.

Then the proposition of Mr. S.N.M.Raavi with the amendment of Mr. B.L.Hyanna was put to vote and passed unanimously.
